Playground Equipment

SIGN RECOMMENDATIONS

Always follow the recommendations for the age range of users for specific components according to the manufacturer, ASTM, and CPSC.

See:
- ASTM #F1487-11 Standards regarding signs & labels.
- CPSC Guidelines #325 (2010 version) requirements & recommendations.
- ANSI Standards (Z535 series) for warning and information labels in recreation settings.

Consult a Certified Playground Safety Inspector or equipment manufacturer for clarification.

The above labels are available from Safety Play, Inc., 1-888-878-0244. Other signs are available from companies on the Internet, search “playground signs.”
